Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications 18 months from the date a claim is filed. The USPTO will delay the publication of an application if the application is a defense agency matter. 35 USC 181 and 35 USC 184 require that the application be published 90 days from the date referred to the agency. This application will be referred for publication 90 days from the filing date or 90 days from the date referred to the agency, whichever is later, unless a response is provided to the USPTO regarding the secrecy recommendation as to the imposition of a secrecy order.
